

Financing That Puts Quilters First

Fast approvals, flexible options, and real people who care about your success.

What You Get with Synergy... And Why It Matters:

Application-Only Approvals

No long forms, no piles of paperwork. Most applications don't require tax returns or bank statements upfront.

100% Financing

Bundle everything - machine, AutoPilot, accessories, shipping, installation, and sales tax - into one simple payment.

Minimal Upfront Costs

0-2 payments due at signing, plus a small processing fee, keeps your cash flow strong.

Fast Decisions

Most approvals are completed within one business day.

Personal Service, Real People

Your calls matter. Expect prompt answers and same-day callbacks from experts who know quilting equipment.

Early Payoff Discounts

Pay off early and save on your total cost of equipment with discounted payoff options.

Flexible Credit Approach

We look at the whole picture. Start-ups and real-world credit situations deserve a chance.

Collateral Made Simple

Only the quilting machine secures your financing. No need to pledge your home or business.
